CAUGHT  
LIKE THAT.  
WHAT  
A FOOL.

Yo G-P here.

I've been taking it a bit easy. Don't want this to feel like a second job. I gotta ponder about how to redraw or hide things, font choice, rewording the translation and sometimes seemingly miniscule editing of pixel groups. At the end of the day, it's still work and I want to enjoy doing it. My IRL occupation is mentally and physically exhausting so I have to juggle resting, getting drunk, working on this, paying bills, keeping my social life intact and dealing with whatever else life likes to throw at you. Boring shit. Doppio Passo is currently on sale, so yeah, the wine must flow.

U WOT M8

Tfw you won't ever get to explore every nook and cranny of your monster fox waifu.
